## Acceptance:

Is the answer to all my problems today. When I am disturbed, it is because I find some person, place, thing, or situation – some fact of my life unacceptable to me and I can find no serenity until I accept that person, place, thing, or situation as being exactly the way it is supposed to be at this moment. Nothing, absolutely nothing, happens in God's world by mistake; unless I accept life completely on life's terms, I cannot be happy. I need to concentrate on what needs to be changed in me and in my attitudes.

## Pyrohy:

Fall is back and so are Pyrohy. We will be making them on October 19th. Please place your order by Oct 14th via the website or by emailing [kitchen@hgucc.org](mailto:kitchen@hgucc.org).
