To All Fellow Supporters of the Ukrainian Orphanage,

A heartfelt "THANK YOU" for everyone's support of the Berezhany Orphanage. The total donations from individuals, food sales and revenue from hosting the Summit County Catholic Commission annual gathering when combined with a generous donation from our own BVM now exceed the amount raised last year. We would now like to wrap up collections for the orphanage by the end of September so we can send the money to them so they can continue their mission of love and support for disabled orphans in Ukraine. We look forward to the return of the Pyrohy Open Golf Outing next year and your continued support.

Meditation #46:

The Eucharist is the summit of God's saving action: the Lord Jesus, by becoming break broken for us, pours upon us all of his mercy and his love, so as to renew our hearts, our lives and our way of relating with him and with all. It is for this reason that commonly, when we approach this Sacrament, we speak of "receiving Communion", of "taking Communion: this means that by the power of the Holy Spirit, participation in Holy Communion conforms us in a singular and profound way to Christ, giving us a foretaste already now of the full communion with the Father that characterizes the heavenly banquet, where together with all the Saints we will have the joy of contemplating God face to face.
